## *Intro: G Cadd9*

G    Cadd9  
We both lie silently still in the dead of the night. Although we  
G    Cadd9  
both lie close together we feel miles apart inside. Was it  
G    Cadd9                      G    Cadd9  
something I said or something I did? Did my words not come out right? Though I  
D    C  
tried not to hurt you, though I tried. But I guess that's why they say

G    Cadd9  
ev'ry rose has its thorn, just like  
G    Cadd9  
ev'ry night has its dawn. Just like  
G    D    C                      G  
ev'ry cowboy sings his sad, sad song  
    C  
ev'ry rose has its thorn

## *G Cadd9 G Cadd9*

G    Cadd9  
Listen to our favourite song playing on the radio hear the  
G    Cadd9  
D.J. say love's a game of easy come and easy go. But I  
G    Cadd9                      G    Cadd9  
wonder does he know, has he ever felt like this? And I  
D    C  
know that you'd be right now if I could've let you know somehow. I guess

Em D C G  
Though it's been a while now I can still feel so much pain.  
Em D C  
Like the knife thats cuts you, the wound heals, but the scar,  
G Cadd9 G Cadd9  
that scar remains

G Cadd9  
I know I could have saved our love that night if I'd known what to say  
G Cadd9  
Instead of making love we both made our separate ways. Now I  
G Cadd9 G Cadd9  
hear you've found somebody new and that I never meant that much to you. To  
D C  
hear that tears me up inside and to see you cuts me like a knife. I guess
